Chaperone Requirements

The following two documents are free for all chaperones:

Pennsylvania Child Abuse History Clearance (CY 113) Act 34 Clearance
<http://www.dpw.state.pa.us/general/formspub/003671038.htm>

Pennsylvania State Police Criminal Record Check (SP 4-164) Act 151 Clearance

Clearances will need to be renewed every five (5) years. They must be registered with Southmoreland School District and the marching band at the start of chaperoning.

HOW TO GET INVOLVED

STEP 1: Apply and provide original clearances to the head chaperone/band director.

You must bring the 2 copies a minimum of one week before you are allowed to chaperone any event. A copy will then be placed in the Administration building, in the band room files and a copy will be kept for traveling with the organization.

STEP 2: Complete the *Chaperone Information Sheet* (appendix.) Return to head chaperone. Indicate your preferences; we'll try to accommodate.

- New chaperones will be paired with experienced chaperones.
- The schedule will be set at the beginning of the season.
- We'll confirm with you during the week before the event
- If you cannot attend a scheduled event, let us know as soon as you can.
- We will find your replacement; don't do it yourself
- Do not bring your own children (outside of the band) to the chaperoned event
- ***You must be a parent/guardian to be a chaperone***
- ***You must be a part of the Band Boosters organization***
- ***You must be out of school a minimum of 4 years before you may chaperone.***

We'd love to have you as a chaperone. There is great responsibility entailed, but the opportunity to work with this group and see your child's enjoyment and success is priceless.

DRESS

Chaperones are expected to dress appropriately at all times. Preference is nice jeans/shorts with marching band t-shirt. Chaperones are a representative of The Southmoreland School District. Inappropriate conduct may be filed with the district.

- If students are not permitted to go to the concession stand, neither are chaperones.
- At any event, personal problems stay at home. You are there to provide the highest level of supervision to students. Any chaperone that is not of the correct emotional state, will be asked to leave their chaperoning duties.
- Don't treat your own child differently. Let other chaperones supervise your child.
- Don't perform tasks that are band member responsibilities.
