

Musician's Ear Plugs

Sponsored by Tri-M Music Honor Society

Standard Fit (Blue)

\$6.50 each

Large Fit (White)

For the protection of our hearing during performance and rehearsal. ETY Musician Ear Plugs reduce decibel levels equally by 20 decibels (like turning down the volume) instead of reducing certain high and low sounds. These are ideal for musicians because it gives a true sound to what is being played. The earplugs were developed along with and orders are being filled at a discounted rate by UPMC Audiology Department. The earplugs come with a small plastic, storage case and attachable cord. These are not custom earplugs but do make a dramatic difference in hearing protection. For more information, please feel free to contact Mrs. Gore at gorej@southmoreland.net

Free Hearing Screening from UPMC Audiology

Call 412-647-2400 for a free telephone hearing screening.

Once you hear the automated "dial-a-hearing-screening" welcome message, you will get instructions for listening to some tones in each ear. At the end of the test, you will receive information about interpreting the hearing screening.

Cash, Checks/Money Orders payable to Southmoreland Activity Fund
(please write "Band" in note)

All Orders and Payment due by Thursday, October 15, 2015.

Order forms and payment may be delivered to
Mrs. Gore (SHS), Mr. Buri (SMS) or Mr. Henigin (SES).

For every 10 pairs sold by any one student, a free 11th pair of earplugs will be given.

Student Name _____

NAME	Regular (Blue)	Large (White)	Total Ordered	Cost (\$6.50 each)	PD
TOTAL					

If you've sold 10 pairs of earplugs, what size of free earplugs would you like? Regular or Large (circle)
