

Hi Southmoreland Marching Band!

We are so excited to work with you, and truly hope we can help you tear the roof off with this fundraiser :)

Here's how to use your Scratch Living promo code:

- Send everyone you've ever met to www.fromscratchliving.com
- At checkout, have them enter the code **SMB2020**

That's it!

Orders will be processed, and the marching band gets to feel the love and support of friends, family, and fans all over the country!

If you have any questions, or need any assistance reach out to contact@fromscratchliving.com

Thanks, and good luck!
